

30th March 2023

Languages offered in Rockwoods from 2023-24

Dear Parents

As per the GO issued by Telangana Government, we will start teaching Telugu as an additional language from Grade V since 2023-24 session in form of 2nd or 3rd Language. To facilitate the teaching of languages, we arrived at the following as our language policy at Rockwoods. We have also shared a consent form with your ward to share your preferred choice of languages.

Please note the language policy from 2023-24.

- I. English will be taught as 1st language across all the grades.
- II. 2nd Language will be taught from UKG to Grade IV. 2nd Language options are Telugu and Hindi. No 3rd language for these grades.
- III. 2nd and 3rd languages will be taught from Grade V to IX.
- IV. All students who opt for Telugu as 2nd language, will learn Hindi as 3rd language. All students who opt for Hindi as 2nd language, will learn Telugu as 3rd language.
- V. Books are planned accordingly.

Note: This generation of kids is capable of learning multiple languages just by watching videos. Therefore, we must recognize their potential & build upon it. Moreover, teaching and learning the language of the state is a responsible part of formal education. Let us respect it.

Always in the cause of education,
Team Rockwoods!!!
