Dear Parents,

We hope this message finds you well. We would like to bring to your attention the valuable opportunity that Olympiad Examinations provide for our students. These exams offer a platform for self-assessment at a level higher than their regular interactions, allowing them to excel in application-oriented questions and logical problem-solving while relying on their subject knowledge.

At Rockwoods International, we are committed to providing our students with a national-level platform to aim high and assess their abilities. We believe that participating in Olympiads will not only enhance their skills but also contribute to their future success.

We are pleased to announce the list of Olympiads that we will be offering for the upcoming academic session (2023-2024).

We encourage you to discuss these opportunities with your child and consider their participation in these esteemed competitions by 22nd July 2023.

Thank you for your ongoing support.

Always in the cause of education,  
Team Rockwoods
