1. About Classes IX & X and School Website - regarding

With reference to the subject cited, I submit that Rockwoods School, Wanaparthy has submitted an online application for Secondary Level Switch-Over From Other Boards for Classes I - X during the year 2023-24 but we have not shown the classes IX & X as these classes are running under state syllabus and are planned to be discontinued in a phased manner after getting CBSE Affiliation.

Grade IX - State Board Enrollment: 40 & Grade X - State Board Enrollment: 46

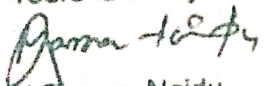

The state pattern classes IX - X running prior to the affiliation to CBSE would be sponsored for the state board examination. State pattern classes IX - X will be closed in a phased manner. No admission will be taken in the state board pattern Class IX - X after getting affiliation from CBSE. The state board school will be discontinued after switching over to CBSE.

I also submit that our school's website is functioning under <https://bit.ly/3G6mWsW> (<https://rockwoodsinternationalschool.com/school/ro>). We have provided a short link as our school's website full link was not accepted on the affiliation website due to the field length restriction.

We are submitting the above for processing our application for Secondary Level Switch-Over From Other Boards for CBSE.

Thanking you

Yours faithfully
